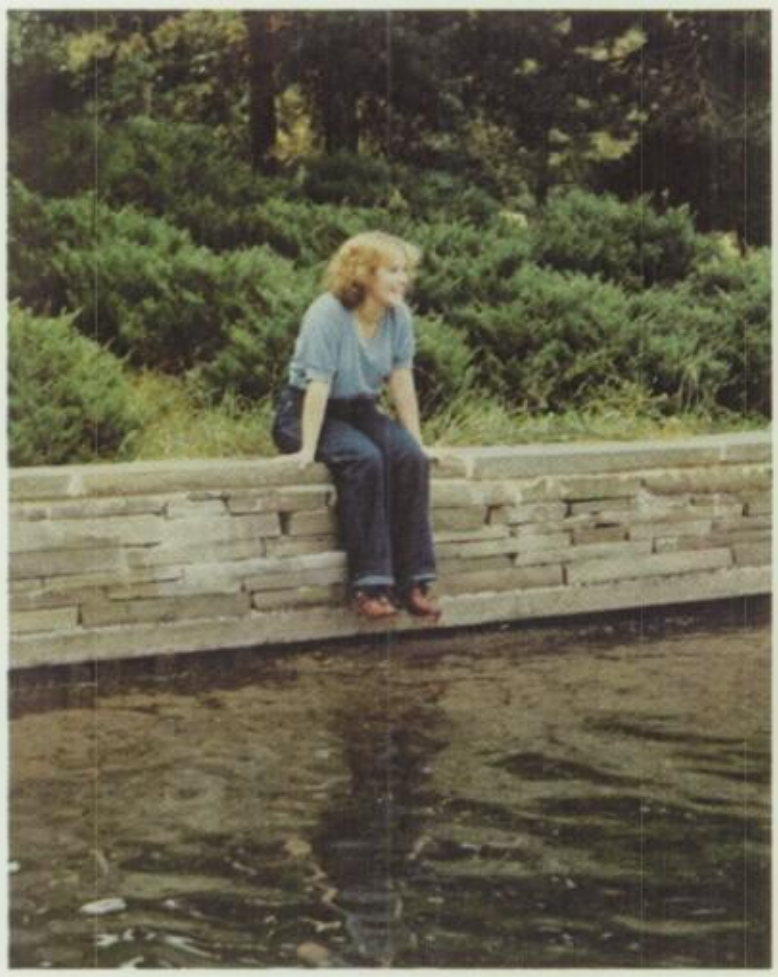
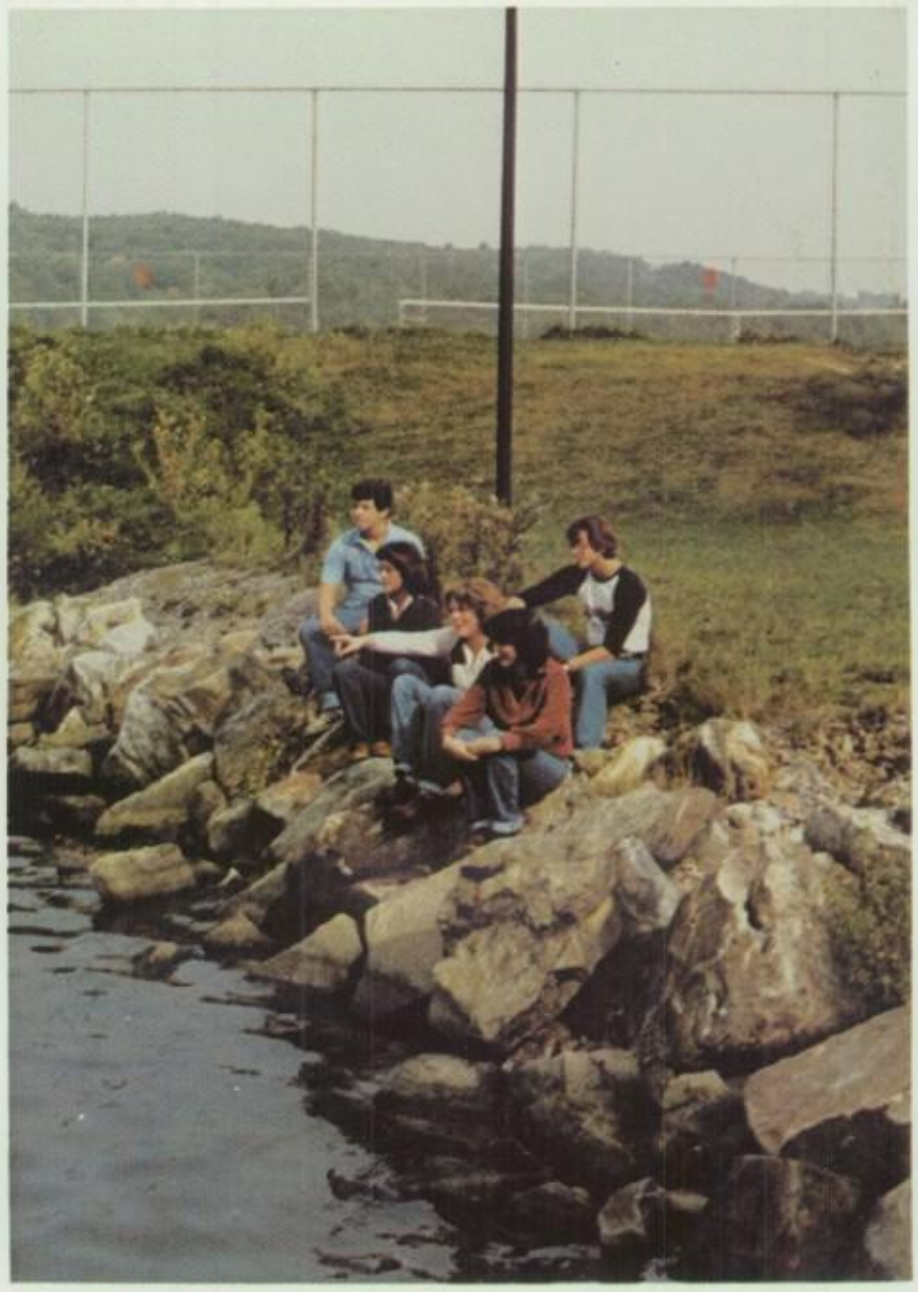
DuBois Senior High School
DuBois, PA 15801





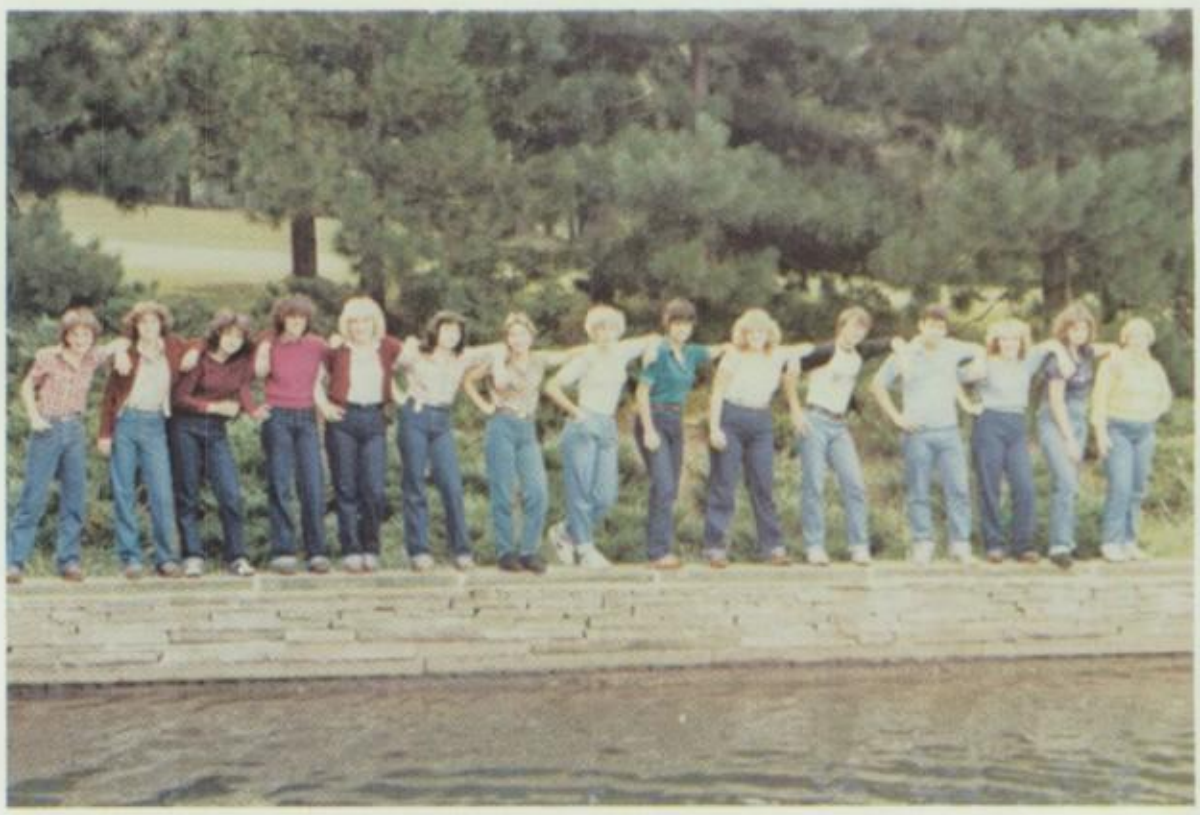
We've learned so much throughout the years, all our hopes, dreams, and fears.

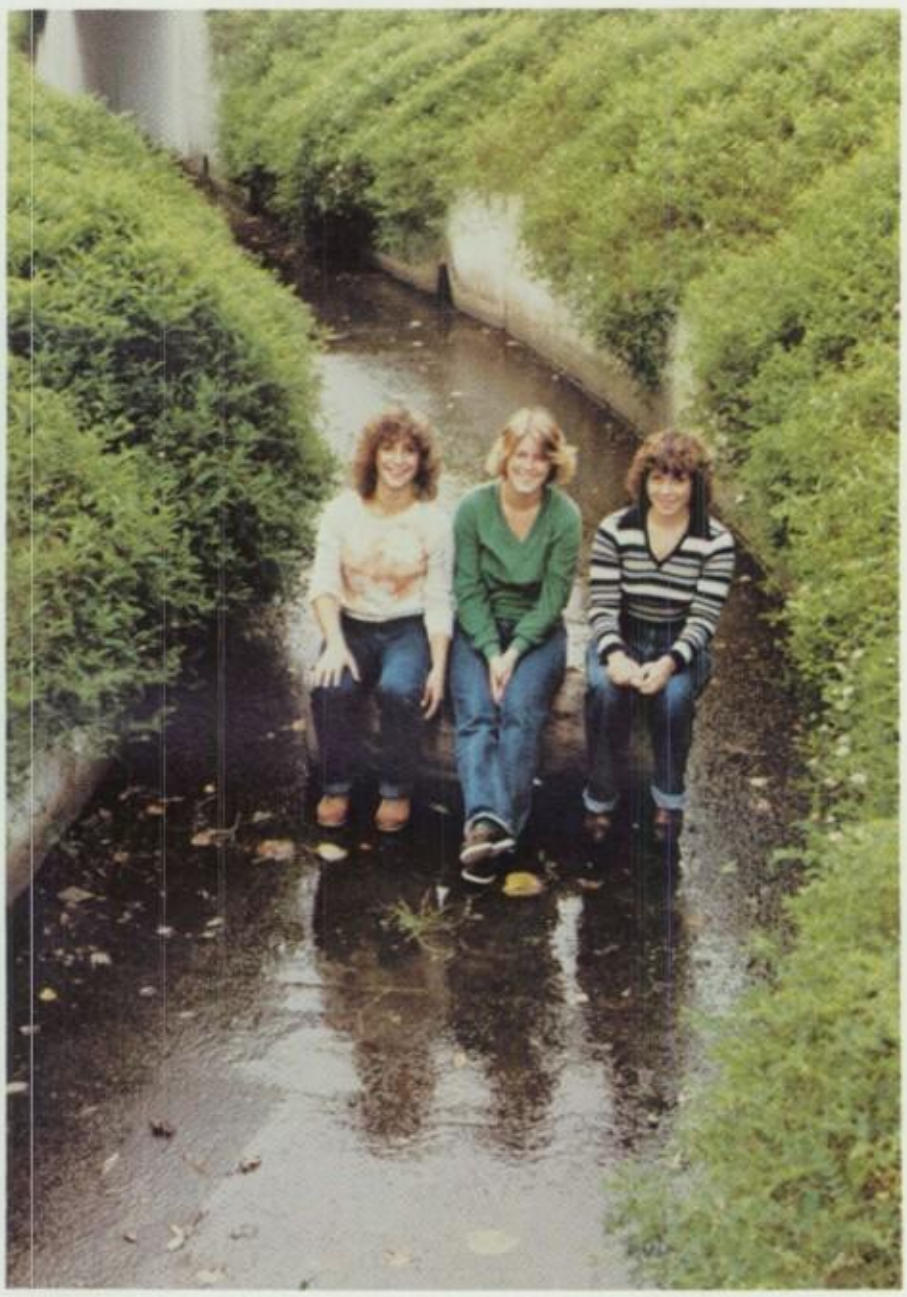
Together we have learned
to grow, important traits
we've come to know.

We've learned to like and
get along, all as one to make
us strong.

In the future we will still stand tall, nothing on earth could make us fall.

We're bound
together with unity,
no fears of what the
future will be.





Although some paths are dark and unknown, we'll explore them together, never alone.

Cause we'll walk together all
throughout,

That's what our eighty-one is about.

We once were here but now we're gone. We left our name to carry on.

We've had our fun, our fights, our friends. I hope we'll never see them end.

We have our spirits we have our class. It seemed like it would always last.

We know these days will soon be gone and only memories to look back on.
